

Barry Arnold 1st Dan
27th of June 1945 – 21st January 2020

Sadly Barry passed away on the 21st of January after a short spell in hospital. All who knew him send their condolences to his grieving Family.

He is remembered by his B.J.C. friends with affection and appreciation of the countless work he did on behalf of the British Judo Council and its members some of those works are listed below.

He served as an elected Headquarters Committee member for four or five years. 90, 91,92, 93, 94.

He organised the paper work at the Nationals i.e. The Grade & Vets, Juniors, Seniors and the Welsh Juniors at Venues such as Aston Villa, Hereford, Stourbridge and Coventry. He did not confine his work solely to Pen & paper at these events, no, no, no! He was there on the Saturday night at 10 p.m. with his lady wife Iris, daughter Joanne and very few others laying, mats (Milom's) until 1 a.m. or later. Then lifting those same mats on Sunday when all was over.

Barry Arnold an unselfish hardworking BJC member.

Rest in Peace
